Exit Interview Questionnaire

It is the policy of Arkansas Department of Veterans Affairs to conduct an exit interview with each employee who leaves the agency. Feedback obtained is confidential and will be compiled into an anonymous report so that ADVA can continually improve working conditions at the agency.

Please be assured that your questionnaire will not become a part of your permanent personnel file; and your comments will in no way affect your re-employment possibilities should you desire to seek employment again with ADVA.

It is important to ADVA that you provide feedback and answer the following questions as honestly as possible in order to improve future workplace conditions.
